SPAF BURSARY PROGRAM

This year SPAF will be providing bursaries for some students who may not be able to enter the festival due to financial constraints. Each candidate will need to complete a questionnaire listing their interests in music and the arts, as well as how many classes they would like to enter. Any donations provided to this program are welcome and will go directly towards paying for the registration fees of these young artists.

Strathmore Performing Arts Festival is a charitable organization, and the festival is a non-profit event. Any excess funds not specifically designated for operations will be put toward future years of the festival. The deadline for donations is **March 1, 2025**. Any questions regarding sponsorship can be directed to strathmorepaf@gmail.com. Please provide email and mailing address in any correspondence so we can ensure your receipt is delivered to you promptly.
